

Crystal Clear

Hand - Coloured Mantas

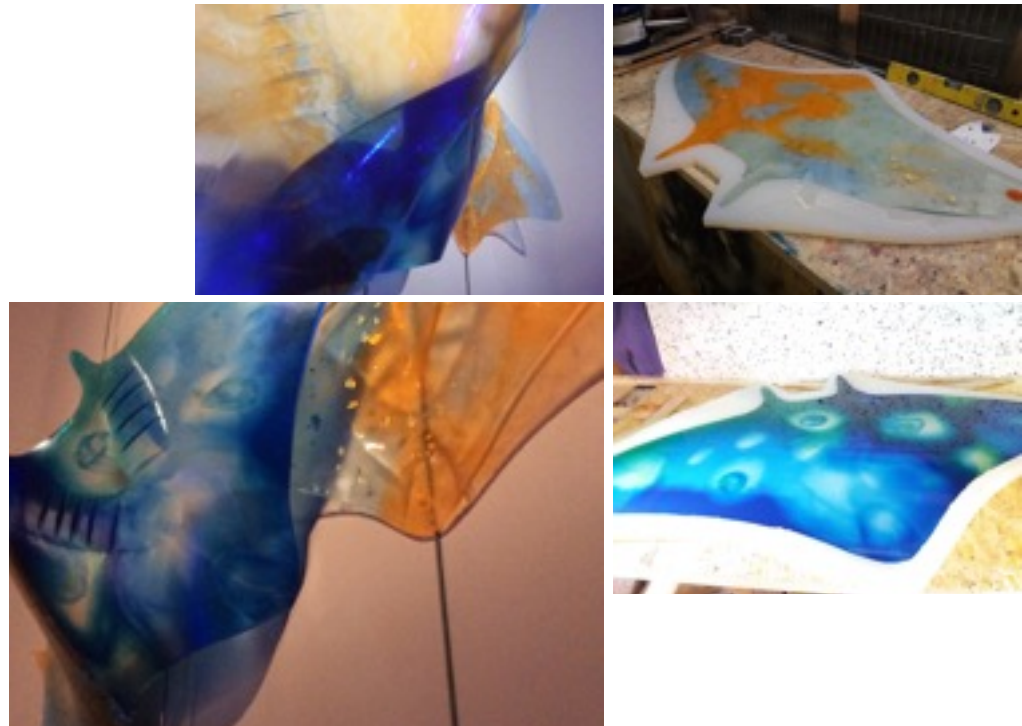

Each Manta is 1m across wing tip to wing tip. Made from Crystal Clear epoxy water clear UV resist resin. Each manta is hand - coloured during the casting process so no two are ever the same. The right hand manta has gold leaf foil embedded within the resin. These can be hung directly from a wall or hung from a stand.

One off Ex Oceanic Exhibition Price.

These exhibition mantas are cured in curved positions. Each manta is poured individually so any colours and pattern can be poured, however this is an artistic piece so each one will be its own creation.

Items can be embedded if small and flat in shape.
